

SCHOOL SONG

Mary's Light

Mary's light shows us the way
in things we do and what we say.
With our friends in work and play
we listen and love with each new day.

**St Mary's Manly by the sea
is where we gather you and me.
Listen and love is what we say
listen and love we live this way.**

We listen and love with an open mind
we share our gifts for all to see.
We strive to love and to be kind
being the best that we can be.

**St Mary's Manly by the sea
is where we gather you and me.
Listen and love is what we say
listen and love we live this way.**

Through kindness and with God's love
we lend a hand to those in need.
Mary's grace from up above
will guide us in our words and deeds.

**St Mary's Manly by the sea
is where we gather you and me.
Listen and love is what we say
listen and love we live this way.**
