## **Local Area Excursions/Evacuation Practice to Manly Beach**

Dear Parents/Carers,

During the school year, teachers may organise excursions around the local area to enrich the curriculum for their students.

These areas may include;  
Pittwater Rd- to Manly Wharf and back  
Manly Corso  
Beach front- Queenscliff-Shelly beach  
Manly Oval- crossing Pittwater Road

In addition, if we need to evacuate or have a practice evacuation of the school, we usually evacuate to the Beach front.

*For any other excursions you will receive a separate permission note.*

Please sign below so that your child can be included in these excursions.

Kind Regards,  
St Mary's Staff
