### Our Program:

The staff at Manly OSHC have a commitment to provide a quality service, where all the children feel safe, valued, happy and secure. The Staff are aware that each child is an individual, as such we endeavour to foster their uniqueness by providing play possibilities that will help to challenge and inspire, promote inclusion and a sense of belonging for all children. Where necessary we scaffold the children in their play ensuring each child has the chance to build on their curiosity and imagination, enabling them to engage in rich meaningful play experiences.

Our programme is ever changing, it is based on the Children's interests, Feasts, festivals and events both at school and in the locality. Every day the staff at OSHC observe, interact and talk to the children about their interests, their likes, dislikes. This knowledge of the children in our care helps us to plan and develop a program that suits the ages and stages of the children attending OSHC.

At St Mary's Manly OSHC we have an Indoor/Outdoor play programme. The children can choose to play indoors or Outdoors. (During the colder months please provide your child with a jumper as we play outside everyday weather permitting)

Outside the children engage in play opportunities such as sand play, imaginative play building houses and forts, playing on the play equipment, games i.e. soccer, rugby, AFL, handball, cricket, tennis

Indoors we offer a diverse range of activities that include: Painting, craft, sport, table top games, floor games, home corner, dress-up, and much more. We encourage the Staff, the children and their parents, to share feedback on the activities we have on offer.

At St Marys OSHC we endeavour to inspire the children to be environmentally aware by involving them in recycling and repurposing activities every day. We encourage the children to bring in clean empty plastic containers, glass jars and boxes which can be used for Art and Craft activities.

St Marys was assessed in 2017 as Meeting the National Quality Standards. Our Educational program and practice was awarded

Exceeding National Quality Standard. A copy of our quality Improvement Programme is available at our parent sign in/out desk.

A copy of our COVID Safe Action Plan is also available at the parents sign in /out desk.

After school activities provided by St Marys school include: Speech and Drama, Mandarin, Spanish, German and Robotics
